Dear Ms. Judkins

“Common Sense In Education” was never a “P.A.C.” I have repeatedly called in response to these notices and yet our designation does not get corrected.

There is no money in the organization which was set up as a not-for-profit educational organization. No money was dispersed or run through this organization. I will dismantle the organization to avoid subsequent misunderstandings. I would appreciate it if you would correct your records once and for all.

Thanks for your attention to this detail.

Sincerely,

Mrs. Tipton
